

VS Code interface showing a web browser preview of a document titled "Document". The browser address bar shows the URL: `http://127.0.0.1:3000/.vscode/text.html`.

The document content displays a list of countries, each on a new line with a corresponding background color:

- Eswatini
- Ecuador
- Tanzania
- Spain
- Slovakia
- Iraq

The background colors are: Eswatini (blue), Ecuador (dark blue), Tanzania (medium blue), Spain (light blue), Slovakia (very light blue), and Iraq (white).

The source code for the document is visible in the background, showing HTML and CSS:

```

17°C Fog 5:31 PM 1/30/2024

VS Code interface showing a web page being developed. The Explorer sidebar on the left lists files in the TEST directory, including .dist, .vscode, c_cpp_properties.json, launch.json, settings.json, text.html, 1.html, 1st.c, 2nd.py, 3rd.c, 3rd.py, 4th.py, and k.c. The main editor displays the text.html file, which contains HTML and CSS code for a navigation bar. The CSS includes a hover effect for the links. The right sidebar shows the Live Preview of the web page, displaying a navigation bar with three links: Youtube, Google, and Instagram, all highlighted in cyan. The status bar at the bottom indicates the current position (Ln 16, Col 10), encoding (UTF-8), and port (Port: 3000).

```
